

WE ARE ALL CHAPLAINS NOW 3 **CHAPLAINCY FOR THE HIGH STREET & TOWN CENTRE**

Wednesday 27th October 2010 at The Friars, Aylesford

KWM believes that great opportunities exist for developing Christian chaplaincy among those who work on your local high street or shopping parade. You are invited to come to a one-day workshop to gain an understanding of the opportunities, challenges and experiences of this form of chaplaincy and to meet and work with other Christians who would like to take up this initiative.

**Do you think God may be calling you to this ministry?
