

LYON 2012

XXIVth UNIAPAC WORLD CONGRESS

March 30th, 31st & April 1st 2012, 69000 Lyon, France

Act with Hope
Thy Kingdom come

In a world marked by uncertainty, doubts, fear of the future, loss of purpose, we, Christians and entrepreneurs are called to be signs of hope through the deployment of our entrepreneurship.

This is the theme of our **XXIVth International Congress: ACT WITH HOPE**, nourished by our faith in God's love: "**Thy Kingdom come**".

This XXIVth International Congress will be held in France in Lyon and organized by our Uniapac French association: Les EDC.

During two days and a half, we will share plenary sessions with keynote speakers, workshops and debates. Instant translation in 5 different languages will be offered. We will also enjoy meetings together during social times including a dinner with local families offering the opportunity of rich and personal exchanges. For the spouses, who do not wish to participate, a special touristic program will be proposed to discover the very rich, historical, cultural and touristic resources of Lyon, capital of the Roman Empire, the Roman Gaul.

I am sure that we will be many to send this sign of hope to the world and look forward to meeting you all there.

Pierre Lecocq,
President Uniapac International
